

Laser Fibers & Accessories

ForTec Fibers offers laser fibers and accessories to facilities that own a holmium and/or other lasers. We are compatible with all major brands including Lumenis®/ Coherent®, AMS / Laserscope®, Dornier®, Trimedyn® and more.

ForTec offers a variety of laser fibers and safety eyewear available for any wavelength with many frame styles. We also carry fiber strippers and scopes at competitive prices.

No Risk Purchase - first time buyers may purchase a box of five single-use holmium end fire fibers. If you are not completely satisfied, return the fibers for a full refund with shipping paid both ways by ForTec.

The ForTec Advantage:

Save 35 to 50% over manufacturers

All laser fibers are FDA approved

Every fiber is guaranteed
